Sir,

With reference to your letter No.1001/M.F.191-24-2 dated 8th January 1925 regarding the management of the Dharmasala built by Mr. Sukhanand Gurmukharai near the Mandagere Railway Station, I have the honor to forward herewith copy of letter D₂ Dis.No.212/24-25 dated 31st March 1925 from the Deputy Commissioner, Mysore District, --- opining that the building may be taken over under Government management provided the Donor undertakes to deposit with Government sufficient money to meet the cost of establishment and annual repairs -- which come up to Rs.550/- a year.

2. I agree with the Deputy Commissioner in thinking that the --- management of the building might be undertaken by Government if -- sufficient money is forthcoming for the annual maintenance of the -- building and for defraying the cost of establishment.

As regards the procedure to be adopted it would be desirable to have a proper trust deed executed by the donor - Government being the trustees - covering both the chattram and the endowment referred to. In this matter legal opinion may be obtained.

I have the honor to be,
Sir,
Your most obedient servant,,

C. S. Balasundaram Iyer

Division Officer, French Rocks, and the Amildar of Krishnarajapet
Taluk, on the occasion, and again with the Assistant Engineer,
Krishnarajapet Sub Division. The interior Pungal Terraced Verandan
of the building is not sound and would require heavy annual repairs.

The building may be taken over under Government management
under charitable endowment rules and maintained as a chattram or
Musafirkhana. provided the donor undertakes to deposit with Govern-

MYSORE.

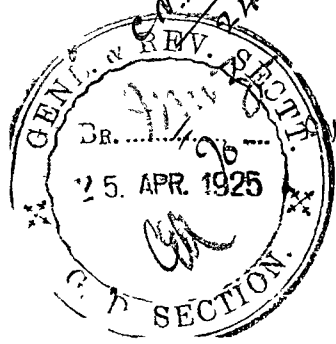

Dear Sir,

One of my rich clients Mr. Sukharani Gurmukhrai is a Digambar Jain and in your Mysore State there is an image of Gomatswari which is about 60 feet high and many Digambari Jains go there ~~every day~~ for pilgrimage and I am further told that in the month of February there is a regular Fair, which thousands of people attend. That image is about 60 miles from Mysore City, and about ¹³~~30~~ miles from Mandagere Station, and as many people like to go by Mandagere Station, my said client has lately built a good Dharamshala near the Mandagere Station at a cost of about Rs. 20000/-. My said client is anxious to know whether it would be better if a Trust Deed is made as is generally done in British Territories, and to give the said Dharamshala in the hands of the Trustees or whether it would be much better to hand over the said Dharamshala to the Mysore State in order that the same may be preserved and properly looked after and repaired or if there is any other way for preserving the said Dharamshala, I shall thank you to make inquiries in the matter and to let me know your directions.

Yours sincerely,
